

BLUE COAT CHURCH OF ENGLAND ACADEMY SPORTS ACADEMY & BTEC SPORT

What is the Sport Academy?

The Blue Coat Sports Academy is aimed at Post 16 students who have an interest in playing sport on a regular basis within nationwide leagues, competitions and tournaments. Students involved within the Football and Cricket Academy will take part in regular fixtures and competitions against schools and colleges across the West Midlands.

Alongside the sports academy, students will study a BTEC Level 3 National Diploma in Sport alongside a wide selection of other

courses which Blue Coat Academy Sixth Form has to offer.

This tailored sporting programme allows students to develop their sporting repertoire both practically and theoretically. Students are involved within regular specialised sport-specific training sessions throughout the two year programme and provided with personalised training programmes which are monitored and evaluated throughout the year by specialised coaches and trainers.

Specialist coaching will be provided by West Bromwich Albion and Staffordshire Cricket Association coaches

BTEC Level 3 Extended Diploma in Sport

The BTEC Level 3 Extended Diploma in sport will run as a full-time course as a member of our sports academy in football or Cricket.

The BTEC Level 3 Extended Diploma in Sport will provide students with a solid and sound foundation of knowledge within the sports sector. This course will also enable students to develop the essential skills required for employment, career progression, or progression to further qualifications and training. The BTEC qualification has been structured to allow maximum flexibility when selecting specialist units, so that particular interests within the sports industry can be reflected in the choice of units. Depending on your career choices and the other subjects which you choose to study, there are several sizes of this qualification:
