

Blue Coat Church of England Academy

Year: 7

Subject: Drama

Overview

In Year 7, students begin their drama journey by developing their performance and collaboration skills. Over the course of the year they will explore a range of subject matter including Greek Myths, being an elective mute, silent movies and the Oregon trail. Lessons will encourage students to take an active role and begin to build confidence through a range of practical tasks. Pupils will be asked to work with a range of people in their group. Our assessment criterion asks students to reflect on their own progress and the feedback received from their peers and teacher. We aim to provide pupils at least one opportunity to go to or watch a live piece of theatre across the school year.
