

Blue Coat Church of England Academy

Year: 12/13

**Subject: Level 2 Applied Science -
Cambridge Technical**

Overview

Taking this course could lead onto progression to a BTEC Level 3 course in Applied Science, and other qualifications such as BTEC Sport. It will also provide students with the practical laboratory skills needed to work in the Applied Science sector. The course will give students a wider look into the varied areas of Applied Science.

This course will provide you with a basic understanding of a variety of scientific principles and concepts. The course is taught over 180 guided learning hours. Students will create a portfolio of evidence; all units will be internally moderated.

Units Include:

Science of the Earth

Communicating Science

Practical Techniques in Science

Science of Health
