## Blue Coat Church of England Academy

| Year: 12/13 | Subject: A-Level Maths |
| :--- | :--- |
|  | Overview |
| The two-year A-Level Mathematics course allows pupils to build on Higher Tier knowledge from Key Stage 4, develop their <br> problem solving and analytical skills as well as increasing pupil's ability to think logically. Pupils begin to understand the <br> relationship between real world problems and mathematical models and use a wide range of skills and techniques to solve <br> them. |  |
| Formally assessed by Edexcel at the end of Year 13, pupils complete three two-hour long calculator papers: Paper 1 (Pure <br> Maths 1), Paper 2 (Pure Maths 2) and Paper 3 (Statistics and Mechanics). Pupils are regularly assessed during lesson time <br> over the course of the academic year to monitor progress. |  |

| Pure Maths Content (66\% <br> weighting) | Statistics Content (17\% <br> weighting) | Mechanics Content (17\% <br> weighting) |
| :---: | :---: | :---: |
| Algebraic proof | Statistical sampling | Quantities and units in |
| mechanics |  |  |
| Algebra and functions | Data presentation and | Kinematics |
| interpretation |  |  |
| ( $x, y$ ) plane in the | Probability | Forces and Newton's Laws <br> Moments |
| Sequences and series <br> Trigonometry <br> Exponentials and logarithms <br> Differentiation <br> Integration <br> Numerical methods <br> Vectors | Statistical hypothesis testing |  |
|  |  |  |

Pupils have access to the MathsWatch VLE and Integral websites to assist with independent learning and to revisit class content on a regular basis.

Further exam board information and guidance can be gained from: https://qualifications.pearson.com/content/dam/pdf/A\ Level/Mathematics/2017/specification-and-sample-assesment/a-level-I3-mathematics-specification.pdf
