

## Blue Coat Church of England Academy

Year: 12/13

## Subject: GCSE Mathematics Resit

## Overview

This course is largely past paper based to focus on exam skills for pupils who have already completed their GCSE in maths but have not yet achieved a grade 4. The majority of pupils sit the Foundation tier exam in the Summer, with some pupils being entered for the November resit exams. All pupils have individual logins for the MathsWatch VLE site to assist with independent learning, homework and revision.

| Edexcel Foundation Tier Checklist (Grades 1-5) |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Geometry and Measures | Algebra | Statistics | Ratio, Proportion and Rates of Change | Number | Probability |
| Arc lengths and sectors <br> Derive triangle results Enlargements and negative SF <br> Loci <br> Pythagoras <br> Similarity and <br> Congruence <br> Standard <br> constructions <br> Surface Area <br> Trigonometric ratios <br> Volume <br> Alternate and corresponding angles <br> Area of a circle <br> Areas of composite <br> shapes <br> Areas of triangles, trapezia and parallelograms Bearings Circle terminology Circumference of a circle <br> Congruent triangles Enlargements and fractional SF | Algebraic terminology Cubic and Reciprocal graphs <br> Deduce quadratic roots algebraically <br> Derive an equation <br> Equation of a line Expand the product of two binomials <br> Factorising quadratic expressions <br> Fibonacci, quadratic and simple geometric sequences <br> Graphical solution to equations Inequalities on number lines Linear equations Quadratic graphs Reciprocal real-life graphs Simplify indices Simplify surds Solve linear inequalities in one variable Writing formulae and expressions Changing the subject | Histograms with equal class widths Scatter graphs Comparing data using graphs <br> Comparing <br> Distributions <br> Correlation <br> Population <br> Sampling <br> Scatter Diagrams <br> Time series <br> Charts and <br> Diagrams <br> Pie Charts <br> Types of data <br> Vertical Line Charts | Compound Units Gradient \& the rate of change <br> Growth and decay Interpret Proportion Percentage change Problems with compound units Scale factors and similarity <br> Simple Interest and Financial Maths Solve Proportion Problems Compare Fractions, Decimals and Percentages Compare lengths, area, volume Comparing quantities as a ratio Division of a quantity as a ratio Express one quantity as a \% of another Percentage change Problems involving ratio Proportion and ratio | Calculating with fractions <br> Error intervals <br> Index Laws <br> Limits of accuracy <br> Adding and subtracting fractions Checking calculations Compound measures Converting metric units <br> Estimation <br> Fractions and percentages <br> Fractions and ratio problems <br> Interpret calculator displays <br> LCM and HCF <br> Multiples and factors <br> Multiplying fractions <br> Operations <br> Order of operations <br> Powers <br> Rounding <br> Standard Form <br> Terminating decimals and fractions <br> Decimals | Probability of dependent events Probability of independent events Mutually exclusive sum <br> Relative Frequency <br> Tables and Grids Theoretical Probability Unbiased Samples Venn Diagrams Frequency Trees Probability of equally likely outcomes |

| Perimeter of 2D shapes <br> Plans and elevations <br> Polygons <br> Solve geometrical problems <br> Vector arithmetic <br> Volume of prisms <br> 3-D Shapes <br> Congruent and similar shapes <br> Geometrical <br> terminology and <br> diagrams <br> Measuring lines and angles <br> Properties of quadrilaterals <br> Properties of triangles <br> Translations and vectors <br> Using standard units | Collecting like terms <br> Expressions <br> Factorise single bracket <br> Finding the equation of a line <br> Graphs of linear functions <br> Graphs of quadratic <br> functions <br> Linear equations one <br> unknown <br> Multiplying single <br> brackets <br> Non-standard real life <br> graphs <br> nth term of a linear <br> sequence <br> Number machines <br> Substitution <br> Using "y = mx + c" <br> Coordinates in four <br> quadrants <br> Plotting straight line <br> graphs <br> Position to term rules <br> Sequences of square, <br> triangular and cube <br> numbers <br> Using Formulae <br> Sequences and Rules |  | Ratio and fractions Ratio Sharing Convert standard units Express one quantity as a fraction of another Use ratio notation Use scale factors, diagrams and maps | Listing outcomes Prime numbers Using standard units Add and Subtract integers Dividing integers Multiplying integers Ordering numbers Place value |
