1 Aims

Blue Coat CE Academy aims to:

- have clear and transparent processes for the use and allocation of the Student Support Fund
- make clear to parents and students the type of support which is available and the means of applying for it.

2 Definitions

'In care' is defined as: children looked after by a local authority on a voluntary basis (section 20 of the Children Act 1989) or under a care order (section 31 of the Children Act 1989). Section 22 of the Children Act 1989 defines the term 'looked after child'.

3 Roles and responsibilities

The Governing Body

The Governing Body has overall responsibility for approving the Student Support Fund Policy, but can delegate this to a committee, an individual governor or the Principal. The Governing Body also has overall responsibility for monitoring the implementation of this policy. However, responsibility for approving applications to the Fund has been delegated to the Student Support Panel (Principal, Senior Assistant Principal and School Business Manager).

The Principal

The Principal is responsible for ensuring staff are familiar with the Student Support Fund policy, and that it is being applied consistently.

Staff

Our staff are responsible for implementing the Student Support Fund policy consistently. The Senior Leadership Team will provide staff with appropriate training in relation to this policy and its implementation.

Parents/Carers

Parents are expected to notify staff or the Principal of any concerns or queries regarding the Student Support Fund policy.

It is the responsibility of the parents/carers to pay for lost bus passes.

4 How we have set up the Fund

The Student Support Fund has been set up using some of our Pupil Premium funding. Pupil Premium is additional funding which is allocated to schools by the Government on the basis of the number of students who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). Pupil Premium is aimed at addressing the current underlying inequalities which exist on a national level between children from disadvantaged backgrounds and their more affluent peers. Pupil Premium also provides funding for children who have been in care continuously for one day or more and the children of service personnel. Money from the Student Support Fund will only be allocated for students who meet the criteria set out below.

5 How we use the Fund

Blue Coat CE Academy is able to provide some financial support for students providing certain criteria can be met. Parents/carers can apply for assistance towards the cost of such things as home-to-school transport (bus passes), educational visits, uniform, books and equipment needed for school.

6 Eligibility Criteria

Parents of students in years 7-11 are eligible to apply if they meet the following criteria:

- current eligibility for free school meals
- eligibility for free school meals at some point over the last six years
- living in care (see Section 2 “definitions”)
- living with a parent at the same address who is serving in the Armed Forces
- other exceptional circumstances

Students in years 12-13 are eligible to apply if they meet the following criteria:

- not eligible for support through the Sixth Form Bursary Fund and they are in exceptional circumstances.

Note: Details of the Sixth Form Bursary Policy can be found on the school website.

7 How we assess applications

In addition to checking eligibility we may also consider the following:

- level of household income
- distance to travel between the student’s home and the Academy

To help us assess applications we may ask to see:

- proof of free school meals eligibility
- proof of employment within the armed forces
- proof of benefits letters
- tax credit award notifications
- P60s
- pay slips (e.g. for the most recent three months)
- bank statements covering a certain period (e.g. the last three months)
- Universal Credit award notices (e.g. the most recent three)

8 Application Process

- Parents/carers can apply by completing a Student Support Fund application form. Students in Sixth Form can complete the application form themselves.
- Applications should be submitted to the School Business Manager.
- Applications will be considered within ten working days. Applicants will be notified of the outcome of applications in writing.

9 How we make payments

Payments are made using one of the following processes:

- in-kind payments (i.e. the Academy will make the purchase), such as travel passes, payments for school trips, revision guides, books and equipment or vouchers for meals
- we can make a reimbursement upon receipt of proof of purchase, i.e. a receipt. Reimbursement will be made within ten working days.

10 Terms and Conditions

- Successful applications are conditional on students having a satisfactory level of attendance and behaviour. We will consider the impact on attendance that might be caused by illness, caring responsibilities or other exceptional circumstances.
- Applications can be made at any time during the academic year.
- Applications will be considered on a first come first served basis.
- Applicants should be aware that the funding available is limited and once it has been spent we will no longer be able to approve any further applications in the academic year.
- Applications can only be accepted from parents/carers with whom the pupil resides.
- Successful applications may be a contribution towards the cost and may not necessarily cover the whole cost.
- A separate application is required for each sibling.
- Due to changes at Government and local levels that affect how schools are funded we cannot guarantee that the Student Support Fund will be available in future years.

11 Policy monitoring arrangements

This policy will be reviewed by the Student Support Panel on an annual basis.

12 Appeals

The Student Support Panel reserves the right to award and refuse funding as it sees appropriate. The decision made by the Panel on the level of funding awarded is final. The Governors Appeals Committee will receive and determine only upon any appeals where funding is refused. Appeals should be addressed to the Clerk of the Governors c/o the Academy.
