Support materials – text books, apps, newspapers, blogs (any useful resource)

See independent learning.

A CGP Revision Guide is available for any students to borrow at any point.

This list will be added to as we move through the year.

Independent Learning in your subject – what should students do to help themselves?

The first step to understanding Travel and Tourism centres around keywords, especially for Unit 1.

Each student will be issued with a PLC (Personal Learning Checklist) for their topic, included are all the keywords needed to be successful in the Unit 1 Exam. Students should start by creating revision resources using these as a base.

A revision guide for Unit 1 complete with exam questions is available on the pupil share area as well as mind maps. There are also other revision resources available to help.

The resources will be stored here-
