15th January 2024

Dear Parents

To celebrate our continuing association with schools in Walsall, we are arranging a "School Partners" Football League 2 Match Visit to the Walsall v Doncaster Rovers fixture on Saturday 2nd March 2024. (3pm Kick Off)

Walsall FC is offering all pupils and families a Family Ticket for £5 (1 adult & 1 junior). **A maximum of 6 tickets for £15 will apply and they must be used by 50% children and 50% adult.** Failure to do this will result in you having to upgrade tickets on the day of the game at an extra cost to gain entry to the match. This is a considerable saving on the normal admission price and exclusively available through the "School Partners" scheme.

Along with this fantastic offer the Schools are also earning **CASH BACK** on every ticket sold. This is a chance for everyone at school to come and support their local Professional team and generate money for the school.

We are also offering **20 FREE TICKETS**, to a future game, to the School that brings the most supporters to the game. All pupils who purchase tickets through the School Partners initiative will be entered into a draw, with one lucky winner having a chance to be our **Community Mascot**. The game for both of these prizes will be Walsall v Barrow Town on Tuesday 12th March 2024.

All replies must be returned to school by, Friday 2nd February 2024. Any replies returned after this date will not be allocated tickets. (Cheques Payable to Walsall FC Ltd)

In the unlikely event of the game being postponed, every effort will be made to re-schedule. If this is not possible all money can be reclaimed from the school office.

I hope that you will take advantage of this offer to support the "Super Saddlers" and also support your school. See you at the game.

Yours in sport

Adam Davy - Walsall FC Foundation Director
