**Year: 10**

**Subject: French**

## Overview

In Year 10, topics such as family, friends, school and free time activities are re-visited and students are able to discuss these topics with more sophistication, better fluency and more complexity. The imperfect tense is introduced so that student can talk about what life used to be like for themselves and others. They continue to reinforce the past, present and future structures that they learned at KS3, and expand this learning and vocabulary to a much higher level.
