

# Blue Coat Church of England Academy

**Year: 11**

**Subject: French**

## Overview

By the end of Year 11, students will be able to converse and write about a wide range of topics, including jobs, careers, the environment, global issues, travel, tourism and their local area. Reading and listening texts become more challenging, but with most of the groundwork for this having been covered in Years 7-10, the texts become accessible and enjoyable very quickly. At the end of Year 11, students are assessed on their reading, writing, listening and speaking skills in their final examination and are ready to continue with study at A-level if they choose to do so.
