

Blue Coat Church of England Academy

**Year: 12
Foundation Year**

Subject: Core RE

Overview

All students at BCA sixth form will study RE and worldviews once a week. The foundation year allows for students to reflect on a variety of worldviews and also pick up valuable study skills that will support them throughout their further studies.

In the foundation year, students will study

- Non-religious worldviews- Humanism, veganism and environmentalism
- An independent study project on the link between religion and science
- Islam and Feminism
- Anti-Racist RE

The curriculum has been designed to reflect the diverse nature of the Blue Coat Family, but also to show a more sociological side to RE. This looks at how religion works in the 21st Century as a living, breathing thing that impacts real people's lives.
