

# **Blue Coat Church of England Academy**

## **School Closed**

### **Friday 9<sup>th</sup> January 2026**

Due to the poor weather overnight, the volume of snow lying on the ground, poor conditions for travelling and some uncertainty over the weather forecast for the next few hours, it has been decided that it is not safe to open the school today.

Work will be set for students on Satchelone.

Examinations will not go ahead today – information on arrangements regarding these examinations will be provided to students on their return to school.

If any further updates will be sent to parents and carers via text message and updated on the school website.
